OFFICE OF PETITIONS

Dear Sir/Madam,

Thank you for your letter dated September 11, 2012 in response to our request to change the entity status for the above referenced US patent.

I have enclosed a signed copy of a Statement Under 37 CFR 3.73(b) document to address the issue of ownership for US patent 6,128,431.

As mentioned, The Regents of the University of California, Assignee of the above reference US Patent, is no longer entitled to claim small entity status.

The 12 year US maintenance fee was paid on June 29, 2012 at a small entity rate in the amount of \$2,365.00

The deficiency amount owed is \$2,515.00. This amount includes the difference of \$2,365.00 to correct the fee due for large entity status and the surcharge late payment fee for \$150.00.

At this time, we would like to submit a request to the Maintenance Fee Division to charge the deficiency amount owed in the sum of \$2,515.00 to our **deposit account number 21-0649.**

If further authorization is needed, please contact John Shih at (510) 587-6034.

Thank you for your assistance in this matter.

Sincerely,

Jerina LaBat
